

Only the Good Can See the Good

From the human-ai-dhamma-inquiry corpus. License: CCo-1.0 (public domain).

Tradition lens: Theravāda Buddhism as taught in the S.N. Goenka Vipassana tradition — one lens among several.

A roundtable inquiry: one human practitioner with three anonymized frontier AI participants and a synthesis facilitator. Participants distinguish pariyatti (theoretical understanding) from paṭipatti (direct observation).
